

Ford Piquette Plant Museum Rental Events: Frequently Asked Questions

Do you provide a separate room for events?

Many events at the Piquette Plant are held right on the museum floor, so your guests can mingle with our antique vehicles and museum exhibits. We also have the Piquette Assembly Room available, which is a stand-alone space, or can be combined with other spaces.

Can I bring my own vendors?

The Piquette Plant has exclusive vendors for catering, bartending, and other rental items. For floral arrangements, specialty linen, and DJ services we invite you to bring in your own vendors. Vendors are required to provide proof of insurance.

Can my guests take a tour?

Yes! Just ask and we can help you customize your event with a docent-led tour.

Can you move the vehicles, displays or signage for my event?

Obstruction, removal, rearrangement or any disturbance to exhibits is strictly prohibited.

Can I bring my own drapes, hanging décor, or hanging lights?

Drapery and hanging décor are not allowed. Hanging lights are already installed on the third floor for your use.

Can I have my wedding ceremony here?

Yes! With an additional rental fee, you can have your ceremony at the Piquette Plant.
